Corporate Sponsorship Program

**Bring your brand to life, and you too could potentially save a life.
SDS offers a range of sponsorships.**

SDS is currently the only not for profit organisation providing specialty trained canines for Search and Rescue in NSW. We are funded completely by donations and sponsorships from community members and businesses (and sometimes our own pockets).

We are asking for your support by participating as a corporate sponsor.

Bronze

In return for a donation of \$250 (or equipment to the RRP of \$250), we will display a business card including your company logo on the SDS website for three months, and give a mention on our Facebook and Twitter feeds. You will be allowed to display the SDS Supporter Logo for any approved marketing use during this period.

Silver

In return for a donation of \$500 (or equipment to the RRP of \$500), you'll receive all of the above, plus a set of Hi-Resolution photos to use in your publicity. If supplying equipment, this will be featured.

Your business card will be displayed on the SDS website for an extra 6 months.

Gold

In return for a donation of \$1,000 (or equipment to the RRP of \$1,000), you'll receive all of the above, plus a full report back on the use of any equipment and a statement for your marketing use. SDS will also organize a press-release mentioning your donation.

Your business card will be displayed on the SDS website for one year.

Platinum

In return for a donation of \$5,000 (or equipment to the RRP of \$5,000), you'll receive all of the above, plus your team will be invited to attend a mock search event, where SDS members will demonstrate search techniques and treat your team to a great half-day with lunch and photo opportunities with the team and search dogs. Your business card will be displayed on the SDS website and our operational trailer for one year.
